WHATEVER IT TAKES

From the Pastor

November is upon us and Thanksgiving Day is quickly approaching. Thanksgiving is a great holiday and is even a better mindset. What do I mean? Well what are you thankful for? We live in a world that is always ready to critique instead of correct, a world that is quick to gossip instead of praise, a world that is ready to condemn instead of bringing grace. As I think about my life I have no reason to gripe. God has given me a wonderful group of people to pastor and serve along side, He has given me wonderful children and a beautiful and godly wife, He has Saved me and is now preparing a place for me, and I could go on and on. What it comes down to is if you have Jesus as your personal Lord and Savior live a life of Thanksgiving. The world says look around Jesus says look to me. Let us look to Jesus.

In Philippians Paul writes to the church some beautiful words that I want to share because it is my prayer for you "I give thanks to my God for every remembrance of you, always praying with joy for all of you in my every prayer, because of your partnership in the gospel from the first day until now. I am sure of this, that He that started a good work in you will carry it on to completion until the day of Christ Jesus. It is right for me to think this way about all of you, because I have you in my heart, and you are partners with me in grace..." (Phil. 1:3-7b)

I am honored to be partners with you in sharing the gospel in Princeton and to the entire world. You folks at Northside have been so kind, and thoughtful. My family and I want to THANK YOU for all you have done for us, it has and is greatly appreciated.

Student Ministry

Middle School night was a huge success. We had around 60 students at Middle School night including 36 brand new students who had never been to Northside. Thanks to two of our lovely ladies in the church for donating \$1 million each to our youth ministry through the scavenger hunt. (That's right, both teams successfully brought back a signed, unvoided check made out to "Douglas Reid" for \$1 million. If only I hadn't immediately voided them...)

High School night is coming up soon! November 13, from 6:30-9:30, we will have a fear factor based High School night. Again it offers free food. (Edible food, not just gross stuff!)

- Thursday, November 12th – Lecrae Concert – 7:30 p.m. – CAB Building
- Friday, November 13th – High School Night – 6:30 p.m. – Northside ROC
